One Year Limited Warranty

Anviz Global Inc., (the "company") warrants to the original purchaser that the Company's products for one (1) year from the date of purchase to be free of structural and mechanical defects due to faulty materials or workmanship under normal use and service.

During the warranty period, the company agrees to repair or replace, at its sole option, without charge to original purchaser, any defective component part of the hardware. To obtain service, original purchaser must return the hardware to the company in original product packaging or in an adequate container for shipping. The postage, shipping, and insurance charges incurred in shipping to the company will be paid by original purchaser, and all risk for the hardware shall remain with the original purchaser until such time as company takes receipt of the hardware. Upon receipt, the company will promptly repair or replace the defective unit, and then return said unit to original purchaser, postage and shipping prepaid. The company may use reconditioned or like-new parts or units, at its sole option, when repairing any hardware. Repaired products shall carry the same amount of outstanding warranty as from original purchase, or ninety (90) days, whichever is greater. Any claim under the warranty must include dated proof of purchase or invoice. In any event, the Company's liability for defective hardware is limited to repairing or replacing the hardware. Items not covered by this warranty:

(1) Shipping and freight expenses required to return the Company. (2) Failures, defects, or damage (including, but not limited to, any security failure or loss of data) caused by any third party product, service, or system connected or used in conjunction with the Product.

(3) Any other incidental, indirect, special or punitive damages, whether based on contract warranty, tort (including, but on limited to, strict liability or negligence) patent infringement, or otherwise, even if advised of the possibility of such damages.

(4) The Product use for purposes for which they are not designed or intended.

(5) The Product which have been subjected to alteration, abuse, misuse, negligence or accident.(6) The product has been improperly stored, installed, maintained

or operated.

(7) The product has been used in violation of written instructions provided by the Company.

(8) The product has been subjected to improper temperature, humidity or other environmental conditions or which, based on the Company's examination, do not disclose to the Company's satisfaction non-conformance to the warranty.

Additionally, this warranty DOES NOT COVER scratches abrasions or deterioration due to the use of paints, solvents or other chemicals. This warranty gives you specific legal right, and you may also have other right as otherwise permitted by law. If this Product is considered a consumer product, Please be advised that some laws do not allow limitations on incidental or consequential damages or how long an implied warranty lasts. So that the above limitations may not full apply. Refer to your local laws for your specific right under this warranty.
